Carrie is one of the cornerstones of our program — and for good reason. Her maternal line is the heart of our herd, and she continues to raise the bar. Carrie is carrying on the consistent horn twist of the Horseshoe J Feat family and is already surpassing her dam in tip-to-tip horn growth. In January 2025, she produced a flashy heifer that's showing all the right signs — and she's already bred back to Jackson BCR, our partnership bull.
